We are proud to announce the opening of our brand new boutique and tea room in New York City—Maison Beljanski. Maison Beljanski is the culmination of a long project led by Sylvie Beljanski, daughter of Mirko Beljanski and President of Natural Source.

Entirely dedicated to The Beljanski® Approach to Wellness, the boutique will also serve as a tea room. We invite you to visit us at Maison Beljanski (open Monday to Friday) where you can enjoy a delicious cup of OnkoTea®, participate in health and wellness coaching sessions, or browse our dietary supplement and skin care lines.

Many informational meetings and conferences are planned for 2018. We hope you will join us for these educational and fun events!
