Over the years, the name Beljanski became the term that differentiated us, distinguished us, and represented our identity and our legitimacy. It is for this reason that in 2020, Natural Source International will change its name and become Maison Beljanski.

The impact that this change will have on our customers is limited. Our offers and our services will remain unchanged and only our communication will present a different visual. During the first few weeks, it is possible that some pages of our website change, but we do everything to ensure that your customer experience is always fluid and pleasant.

We hope you will accompany us in this evolution. If you have any questions about this, please do not hesitate to contact our team. Our phone number, mailing address and home hours will remain unchanged. For any request by email, we invite you to write to us at: info@maisonbeljanski.com
